

Transkript der Rede „Jon Voight at Voter Values Summit
Washington, DC - Donald Trump“ September 2016.

"I'm so honored to be standing in front of all of you spiritual people. Who understand the meaning of God, the meaning of love, the meaning of righteousness.

And I don't have to wonder, whether you understand the meaning of right and wrong.

I've had two great gifts given to me in my life.

One was, that I was able to meet the recently made Saint Mother Teresa. How that occurred I can get into at another time, if anyone wants to ask me about it after this event, I'll be glad to tell the story.

But for now suffice it to say that I found myself standing in front of the great Saint.

And she blessed me.

The second gift was being asked to portray Pope John Paul Two. In a wonderful miniseries.

And in researching the role I was overwhelmed to find that he had selected me to play him. 's something, h?

I'm bringing you these, you know, these Saints to everyone, to everyone's consciousness, because having these experiences – together with living as long as I have –

I've come to know what good is and what bad is,

and I know I can distinguish who Donald Trump is and to who Hillary Clinton is.

I feel there's a dark cloud over the country now.

And we are all witness to Hillary Clinton's lies and corruption.

We are witness to President Obama covering every false move that she makes and making them appear right.

And we are witness to our so-called football heroes that are supposed to set examples for our young children that mock our national anthem.

My heart aches. Watching Donald Trump day after day pouring his heart out telling the American people what he wants to do to save the nation.

How can anyone doubt his sincerity? I can only feel, if God allows truth to be said and heard that we will see Donald Trump the next President of this great America.

And he will lift the dark cloud that hovers over us now.

And so it is with greatest honor and greatest respect that I introduce to you now the next President of the United States, Donald Trump.”
